

# Dat Du Min Leevsten Büst

Words and Music: before 1800

Key:                      Tempo:

## VERSE 1

I[1]                      V<sup>7</sup>                      I                      V<sup>7</sup>  
Dat du min Leevsten büst, dat du woll weest.  
IV                                      I                                      V<sup>7</sup>                                      I  
Kumm bi de Nacht, kumm bi de Nacht, segg, wo du heest!  
IV                                      I                                      V<sup>7</sup>                                      I  
Kumm bi de Nacht, kumm bi de Nacht, segg, wo du heest!

## VERSE 2

I[1]                      V<sup>7</sup>                      I                      V<sup>7</sup>  
Kumm du um Middernacht, kumm du Klock een!  
IV                                      I                                      V<sup>7</sup>                                      I  
Vader slöpt, Moder slöpt, ik slaap alleen.  
IV                                      I                                      V<sup>7</sup>                                      I  
Vader slöpt, Moder slöpt, ik slaap alleen.

## VERSE 3

I[1]                      V<sup>7</sup>                      I                      V<sup>7</sup>  
Klopp an de Kammerdör, fat an de Klink!  
IV                                      I                                      V<sup>7</sup>                                      I  
Vader meent, Moder meent, dat deit de Wind.  
IV                                      I                                      V<sup>7</sup>                                      I  
Vader meent, Moder meent, dat deit de Wind.

## VERSE 4

I[1]                      V<sup>7</sup>                      I                      V<sup>7</sup>  
Kummt denn de Morgenstund, kreiht de ol Hahn.  
IV                                      I                                      V<sup>7</sup>                                      I  
Leevster min, Leevster min, denn möst du gahn.  
IV                                      I                                      V<sup>7</sup>                                      I  
Leevster min, Leevster min, denn möst du gahn.
