I[5]
                              IV
Oh, give me a home where the buffalo roam,
where the dear and the antalope play,
                            IV
where seldom is heard a discouraging word,
                      \mathbf{v}^7
and the skies are not cloudy all day.
     \mathbf{V}^7
Home, home on the range,
                       II^7 V V^7
          vi
where the dear and the antalope play, _
                            IV
