VERSE 1+3

```
I[1] I7      IV                      I
This land is your land, this land is my land,
        V7                      I
from California to the New York island,
        I7       IV                         I
from the Red wood forests to the Gulf Stream waters,
V7                              I
this land was made for you and me.
```

VERSE 2

```
I[1] I7     IV                     I
As   I went walking that ribbon of highway
       V7                   I
I saw above me the endless skyway,
  I7    IV                 I
I saw below me that golden valley,
V7                              I
this land was made for you and me.
