CHORUS

I[5] vi IV I
I get a feeling deep inside,
 vi IV V⁷
in the ocean of love we can ride
 IV I
ev'ry crest calm or stormy.
 vi IV V⁷ I
Riding high in love is best ... best.

VERSE 1

I[5] iii IV I
My thoughts are filled with your essence;
 ii I V⁷ I
I daydream of you all day long,
 iii IV I
I'm longing for the day to come,
 ii I V⁷ IV I
when you and I will meet, we will meet ... meet.

VERSE 2

I[5] iii IV I
Each time I look into your eyes
 ii I V⁷ I
the way I feel I can't disguise.
 iii IV I
Grey skies or blue we'll never part,
 ii I V⁷ IV I
I love you more and more, I love you ... you.
