CHORUS

I[1]

So then:

I[3]

Have you ever seen an angel being a pirate?
Have you ever seen an angel riding the seas?
Have you ever seen an angel being a pirate?
Have you ever seen an angel riding your seas?
Well, they exist, live among us!

VERSE 1

Some days ago she moved into my place,
she was all smiles with skull and crossbones flag,
she found it nice liked every corner all around.

VERSE 2

I[3]

With all her heart and soul now she's on bord,
turning the wheel, the wheel I used to turn,
throughout the day and into night around my life.

OUTRO
