What did go wrong, why's the sun going down?

## VERSE 1

I[3] ii I  
The painter's every nightmare coming true,

and as his work is coming to an end,  
I V<sup>7</sup> I  
he doesn't like it anymore!

## VERSE 2

I[3] ii I  
There's just one thing for him to do with pride:  
IV I  
get rid of what was meant to be fine arts,  
iii IV  
and burn the canvas in amazing flames,  
I V<sup>7</sup> I  
they may rise high for maximum effect.
