CHORUS

IV[5] **I**
Either drive me home or drive me crazy but I beg you drive!
IV **I**
Either drive me home or drive me crazy, baby drive!
V⁷ **I**
Drive like lovers drive, drive a drive into love.

VERSE 1

I[5]
Your smile in my sunrise, your tears in my rain, within my heart.

Love's a precious gift but true love is so very rare, you know.

V⁷
Love's got plenty of drive, what is it driving with me, with me?!

VERSE 2

I[5]
To find a woman my heart desires was not that easy.

Now a passion I have within me and yearning in my heart.
V⁷
Love's got plenty of drive, what is it driving with me, with me?
