## CHORUS

I[5]                    IV                    I                    V<sup>7</sup>  
Gimme, give me five and be my friend a life time long.  
I                    IV                    I                    V<sup>7</sup>                    I  
Gimme, give me yellow, give me red and give me black.

## VERSE 1

I[1]                    IV  
I'm a sailor, know the whole world  
                  I                    V<sup>7</sup>  
been to China and more far,  
                  I                    IV  
saw all places, drank all kind of beer  
                  I                    V<sup>7</sup>                    I  
treated friendly everywhere.

## VERSE 2

I[1]                    IV  
Being friendless can't survive sound  
                  I                    V<sup>7</sup>  
will be lonely, feel no good  
                  I                    IV  
drink Tequila until sun will rise  
                  I                    V<sup>7</sup>                    I  
and is always all alone.

## BRIDGE

I[5]                    IV                    I                    iii  
Gimme, give me five and be my friend a life time long  
I                    IV                    ii                    V<sup>7</sup>  
Gimme, give me yellow, give me red and give me black.  
I                    IV                    I                    vi  
Gimme, give me five and share my life a life time long  
I                    IV                    I                    V<sup>7</sup>                    I  
Gimme, give me all a coloured rainbow may can give.
