I[1] IV  
If one day there's peace on earth  
I V<sup>7</sup> I  
the sadman won't cry anymore!

IV  
If one day there's peace on earth  
I V<sup>7</sup> I  
the madman won't hurt anymore! (2x)

I[3]                      iii                      IV                      I  
Black Hole and Bright Star transcending the world.  
                        iii                      IV                      V<sup>7</sup>  
People are people for eternity.  
I                      iii                      IV                      I  
Reaching for peace, there's a humble demand,  
IV                      I                      V<sup>7</sup>                      I  
a great desire and "one" common goal:  
IV                      I                      V<sup>7</sup>                      I  
finding a way into heavenly peace.

I[3]                   iii                   IV                   I  
Go transcend all of those various flags,  
                  iii                   IV                   V<sup>7</sup>  
religious symbols and stubbornity!  
I                   iii                   IV                   I  
Blessed be the way that transcends difference,  
IV           I                   V<sup>7</sup>                   I  
determinism and free will for good.  
IV           I                   V<sup>7</sup>                   I  
May global oneness community live!
