INTRO

I[1]

||: It's a saturday night. :||

CHORUS

I[1]

It's a saturday night with moonlight, bright,

ev'rything is allright, and I hold you tight.

Yeah, the stars do shine and the weather is fine,

well, I'm ready for the flight into weekend time.

VERSE 1

I[5]

Five days working, to the limit, entertainless situation,

doubtless killing _ I can feel it, makes me cry, _

now let's fly, time is right _ on this saturday night. _ _

VERSE 2

I[5]

Holy leisure time of colors in full brightness, spare time

I
paint brush,

join a canvas, _ wonderous grace, hopefull sigh, _

now let's fly, time is right _ on this saturday night. _ _
