CHORUS

I[3] vi IV I V⁷
Shadow, a shadow on the wall, a shadow on every wall in my
I
life.

 vi IV I V⁷
Shadow, a shadow on the wall, a shadow on every wall in my
I
life.

 vi IV I V⁷
Shadow, a shadow on the wall, a shadow on every wall in my
I
life.

VERSE 1

I[1] ii I
This used to be a place so nice in the sun.
 ii V⁷
But now I live by a shadow without light.
 I ii I
Even the air seems rather bad in the dark.
 V⁷ I
You left a shadow when you left me alone.

VERSE 2

I[1] ii I
Just like a blind man who can't move I must take
 ii V⁷
whatever guidance I can get in the dark.
 I ii I
But I am hoping that one day I might see
 V⁷ I
the wall come down and your shadow fall on me.
