CHORUS

I[5] iii IV I
Let's stay here, stay forever, in our warm wind paradise.
ii V7
Let's lay around for hours in our warm wind paradise.
I iii IV I
As long as grass and wind are one there's only you and me.
V7 I
And amber skies will keep us for a while.

VERSE 1

I[1] vi IV V7
With warm wind in the air grass will run as we lie
I vi IV V7
flowing on winds of love in our warm wind paradise.
vi IV V7
Beautiful to define: Paradise in our hearts,
I vi IV V7 I
feel no pain as we lie in our warm wind paradise.

VERSE 2

I[1] vi IV V7
We tried hard to find out what it is: Paradise.
I vi IV V7
Now we don't speak no more in our warm wind paradise.
vi IV V7
We do not move at all, let warm wind speak and feel:
I vi IV V7 I
Paradise, Paradise, feel our warm wind paradise.

OUTRO
