VERSE 1

I [1] IV I
When I hear christmas bells sweet ringing in the air.

I think of angels, happy, singing: Halleluja.
 IV I
Fresh in my mem'ry, there's my childhood's christmas time.
 V⁷ I
When I was young I went into ecstasy
 V⁷ IV V⁷ I
over Mary's boychild, over candle light trees.

VERSE 2

I [1] IV I
Now I am grown, but I still feel a christmas joy.
 IV I
Not for a holy story and not for a christmas gift.
 IV I
It's just a feeling in december, can't explain.
 V⁷ I
Those christmas trees, all the Santas in the streets
 V⁷ IV V⁷ I
make me smile, warm my heart, at cold end of the year.
