Key: G Tempo: 90

```
I[1]          v7  
Rock it up, roll it down,  
  
I  
let's go shake 'n wake the town.  
  
ii    v7          I  
+1. Let's jump up and far, speed up our car.  
      empty any jar  
  
ii          I  
+2. While we dance around, we enjoy the sound.  
And ... without any bound.  
  
ii          I  
+3. You and lucky me, dive into the sea-of-fun.  
      I make the perfekt tie-honey-pie.
```

I[1] v⁷ I
What a lucky guy I am, knowing you is so much fun.

 v⁷ I
I feel love with all my heart, is it real or just my mind?

 ii v⁷ I
I'm afraid you'll vanish when I wake from my dreams tonight.

 ii v⁷ I
But I'm coming back to you, never ever leave again.

VERSE 2

I[1] v⁷ I
Well, it doesn't matter if time is passin' while we love.
 v⁷ I
All that counts is you and me, and our luck that we do share
 ii v⁷ I
while it's hot in summertime, bitter cold, or rainy wet.
 ii v⁷ I
I will always stay with you, never ever let you down.
